# DISCOVER THE WORLD OF DINO CARS

TRACKS EDITIONS Trailer  
Race Line Classics Kids  
Stylez Family

## GO-KARTS FOR OUTDOOR KIDS

You love to go outside with your DINO CAR in any weather and enjoy playing in the fresh air. After school your go-kart already waits for you, ready to take on new adventures. Race your friends, play skill games or transport your treasures in your trailer. A DINO CARS® go-kart always brings action and fun for outdoor kids like you.

## DIVERSITY

Whether Stylez, Classics, Tracks, Race Line, Kids or one of the other models - our range provides vehicles suitable for any age and range of use. All DINO CARS® are designed in such a way that they can be used in a private as well as in a commercial context.

## SECURITY AND QUALITY „MADE IN GERMANY“

DINO CARS® has designed and produced pedal-driven go-karts in Brual in North-German since more than 20 years. We exclusively use first-class selected materials meeting the highest quality and security standards. DINO CARS® gokarts constantly undergo

technical and practical tests. Our vehicles are certified by external testing institutes and carry the CE marking. DINO CARS® convinces by offering a framework guarantee and a long-term spare parts supply.

## STATE OF THE ART TECHNOLOGY

The new automatic freewheel allows driving forwards and backwards without manual switching. One of DINO CARS®'s latest development is the 6-fold seat adjustment. Supplementary welded steel reinforcements in the seat retainers prevent a deflection of the seat - also if used in a professional context. As from this model year, all big DINO CARS® can be retrofitted with a three-gear shift on request.

## TOGETHER THE BEST

We welcome your comments describing your experiences and your suggestions so that we can continue to develop the best go-karts for your children in the future. Your satisfaction is one of our central aims.

**AF**

**Automatic Freewheel**  
The automatic freewheel allows driving forward and backward without manual switching.

**FRONT SPOILER, PLASTIC**  
FOR GOOD LOOKS AND STYLING

**ADJUSTABLE STEERING COLUMN**  
ADJUSTS FOR SIZE AND COMFORT.

**BF3**

The free-wheel brake with a three-gear switch allows driving forward and backward without further changes of gears. Here, the integrated back-pedaling brake ensures especially safe and comfortable stopping. The three gears allow correct gear transmission – also off-road.

**FRONT SPOILER, METAL**  
FOR GOOD LOOKS AND STYLING

**EASY RUN TYRES**  
REDUCES ROLL RESISTANCE.

**FLOATING FRONT AXLE**  
FOR STABILITY ON ROUGHER GROUND.

**TRACTOR STYLE**  
EXTRA GRIP OFF ROAD LOOK.

**5**

**5 POINT SEAT ADJUSTMENT**  
MOVE THE SEAT FOR YOUR SIZE.

**DOUBLE BALL JOINT STEERING**  
FOR SMOOTH STEERING.

**OFF ROAD LOOK TYRES**  
SUPER GRIP TYRES.

**6**

**6 POINT SEAT ADJUSTMENT**  
MOVE THE SEAT FOR YOUR SIZE.

**ROLL BAR**

**SPORTS STEERING WHEEL**  
A MUST FOR THE SPORTY FEEL.

## Well Prepared with the SPORT range!

With the floating front axle providing optimum road grip and the easy-ride tyres you are also well prepared for any rough passages. In addition, all DINO CARS® as from the sport model range are equipped with plastic bushings and welded steel reinforcements in the seat retainers. This makes deflection of the seat impossible.
